

Our Consultancy Services

Consultancy Support

Triangle Staffing has an extensive national network of expert independent consultants who work on a variety of projects within the above sectors. Our areas of consultancy work include:

- Working with both Local and National Standards
- Quality Standards/Quality Assurance
- Auditing of IAG Provision
- Developing and supporting the delivery of effective IAG Programmes
- Bid writing for IAG Contracts
- Conducting desk research
- Development of policies and procedures within the IAG Sector
- Morrisby Testing
- Project management
- Workforce development
- Young People's Participation

We will be happy to discuss any other individual need that you may have that is not listed above.

Why use Triangle Staffing's Consultants?

- We believe that we offer a unique service, with the following benefits:
- Access to a wide range of experienced consultants, working across the UK
- Consultants with expertise in a variety of sector specialisms
- Consultants who are subject to a robust vetting process, ensuring that they all have a valid enhanced CRB Disclosure and we have taken up relevant references
- Ongoing support from Triangle Staffing, including the allocation of a personal point of contact
- Negotiable contract terms and invoice arrangements
