

Welcome to Triangle Staffing

Our Company & Our Services

Triangle Staffing is one of the UK's leading Recruitment Agencies providing permanent and temporary qualified advisers, Trainers, Youth Workers, careers Advisers, Social Workers and support personnel to specialist industry sectors including Welfare to Work, Education, Adult Guidance, Voluntary and Community. We are the preferred supplier to several Local Authorities throughout the country.

In addition to the above roles, Triangle Staffing also has an extensive national network of expert independent consultants who work on a variety of projects within the above sectors. [Click here for more information on our Consultancy Services.](#)

We have established a reputation for excellence in service and the quality of our staff. Our recruitment consultants are professionals with experience in these sectors and bring a deep knowledge and understanding of our clients' and candidates' requirements.

We have a reputation for attracting the best talent throughout the UK and we maintain long term working relationships with our stakeholders. Our Consultants quickly match our client's requirements with our bank of fully vetted professionals.

Our vision is simply to be our customer's first choice solution to meeting their staffing and service needs.
