

## Who do we recruit?

We recruit professional individuals who are qualified to work within the industry sectors that we specialise in:

- The Connexions Service
- Information, Advice & Guidance Services
- Further Education Colleges
- Schools
- Universities and other Higher Education institutions
- Voluntary and Community projects
- Foundation Learning services
- Outplacement services
- Training providers
- Youth Service
- Children's Trusts
- Public sector
- Student Support Personnel

Many of our candidates hold relevant qualifications that are recognized within the sectors that they want to work in and been obtained either through education or within the workplace.

We need to ensure that you hold a qualification and/or have appropriate experience that would be recognised amongst some, or all, of the organisations listed above, as being relevant and acceptable within their sectors.
