

igen Vision, Mission and Values

Our Vision

To be the best career development organisation and a leading sector player in the UK

Our Mission

To inspire, guide and enable individuals to achieve their potential through the provision of impartial, high quality career and personal development services

Our Values

We will transact all our activities with honesty and integrity, respect the confidentiality requirements of our clients and customers, ensure impartiality and equity of our professional services and work in a supportive, responsive and co-operative manner with our partners.

We will strive to be a socially responsible business, conducting our activities with consideration for the needs of local communities and seeking to add value through reinvestment of surpluses into our public services. We are an equal opportunities employer and will not discriminate against people on the grounds of age, race, disability, gender, sexual orientation, religion or belief.
